

2023

Quality Improvement Plan Summary

OAKBANK KINDERGARTEN

Service approval number:
SE-00010739

Goals	Challenge of Practice	Success Criteria
To strengthen children’s oral language, deepening their sense of agency and connection with others	If we provide a strategic and intentional strengths-based approach in supporting each child’s oral language development, they will deepen their sense of agency and connection with others	Through regular analysis of our pedagogical documentation and data we will see children; <ol style="list-style-type: none"> 1. Actively involved and regularly contributing to their own learning experiences 2. Confidently communicating and sharing their thinking and understanding with others 3. Demonstrating foundational skills in phonological awareness through music patterning, rhythm, beat, rhyme

National Quality Framework Priorities	Key steps
Intentionally planning & programming Numeracy Learning	Staff to strategically create a program format to include numeracy within the planning cycle Staff to review, evaluate, document Numeracy learning outcomes for each child Use the Numeracy Guide book and Indicators to inform practice for learning outcomes
Encourage the participation of family input into their child’s learning in a variety of contexts	Governing Council participation. Philosophy statement values input. Private Facebook posts Big Book of learning portfolio/ learning journals – inviting parent input Persona Dolls -SCUMPS treasure boxes – Family Photos Special visits, utilizing parent skills/ volunteers, social events
To increase the visibility of children’s voice and learning within the community	Intentionally planned visits to local businesses and/ or displays of children’s learning Regular Adelaide Hills Council Library van visits Fundraising events to include child voice within the community (eg hall markets) Connections with Genius Childcare
Further improve physical learning environment to enhance children’s learning	Create a strategic plan for garden improvements- Green Adelaide Collaborate with Ventia Lead Service Delivery Officer / Seek AFS advice Governing Council and family input
